AMBROSE JONES

By Bertha J. Leslie*
and
Georgia Franklin Taylor*

Ambrose Jones, the ancestor of the Jones family of Morgan county, Kentucky, was born in Virginia August 10, 1756, died in Morgan county June 12, 1833. He married Martha Craig, born August 10, 1766, died in Morgan county October 22, 1849. They were married in Linville Parish Baptist church, Greenbrier county, Virginia, now West Virginia, December 30, 1784 by Rev. John Alderson. At that time marriage licenses were not issued, they are today. A couple planning to be married, could either post a bond for fifty pounds or announce their intention of marriage for three consecutive Sundays in their church. Ambrose and Martha announced their intention for three consecutive Sundays. They were among the earliest arrivals in Eastern Kentucky, although the exact date of their coming has not been established. Their son, John Jones was born in Kentucky in 1793.

Ambrose Jones was one of the early Baptist preachers. He was a member of the South Fork Baptist church at Malone, Morgan county, Ky. and his name is signed to many of the entries in the minute books of that church. He was ordained as a minister in 1811. The following is from the minute books:

Second Saturday August, 1811
"The church took up the reference as to the ordination of Brother Ambrose Jones to the work of the ministry and pro-

Morgan Hi Grid Squad Will Open At Catlettsburg Saturday Night At 8

Morgan County To
Have 177-lb. Line,
151 Pound Backfield

Coach Glenn Stanley's Morgan County high school Blue Devils will open their 1953 football schedule at Catlettsburg Friday night of next week at 8 p.m., Eastern time.

Catlettsburg is planning a gala celebration during the evening, when they will dedicate a new stadium.

Tobacco cutting has reduced Coach Stanley's squad to less than a team this week and is hampering practice. Only ten of the 27 men who started practice were out most of the week. But Stanley expects more boys to report when school opens Monday, enough to bring his squad to 35.

Morgan County will pit a team against Catlettsburg that weighs 151 pounds in the backfield and 177 in the line.

With the exception of Larry McKenzie, who is out for the year

EZEL SCHOOL TO OPEN AUGUST 31;

Ezel school plans to open for the 1953-54 school year Monday morning, August 31. All new students as well as all returning students are urged to enroll on that day.

The school buses will travel approximately the same schedule as on previous years and the day's program will begin at 8:05 a.m.

To Operate 4th Bus

This year a fourth school bus will help to relieve the crowded school buses. At least one new road will be reached by bus which was not reached before and over twenty children will be saved a long walk each day. The complete bus schedule will be worked out after the enrollment for the year has been established.

Because of the crowded condition of the Ezel grade rooms no new elementary students will be enrolled except those who live in communities already served by the Ezel elementary school. It may be necessary to make some adjustments even with these if rooms are as crowded as during the two previous years.

Improvements Made

Several improvements were made in the school plant during the summer months. All floors of the school were thoroughly cleaned and refinished and new asphalt tile floors were laid in the first grade room and the school lunch room. The campus, also, was kept mowed all summer and some of the buildings given a fresh coat of white paint to make the campus an attractive place for community and school.

Staff Almost Complete

Teachers have been secured for all elementary assignments but at this writing there are still two vacancies on the high school staff. In the elementary school the following teachers will take these assignments:

First grade, Miss Gene Purdy.

Second grade, Miss Gladys Mil-

len.

Third grade, Mrs. Ottis Mur-

phy.

Fourth grade, Mrs. Oro Myn-

heir.

Fifth grade, Mrs. Ottis Mur-

phy.

Sixth grade, Miss Ruth Bemis.

Helping teacher, Miss Beulah

Hogan.

Bible teacher, Mrs. Homer

Haines.

For the high school the follow-

ing teachers have been assigned:

Miss Larus Millen, principal, Mr.

Albert Dorsey, Miss Zillah Haw-

thorn, Mr. and Mrs. W. A. Hea-

gen, Mr. and Mrs. Glen Helton,

Mrs. Ann McGeoch, Miss Lois

Raube, and Mr. Stanley Trimble.

Vacancies still exist in English

and Library and in Music.

BIRTH ANNOUNCED

Morgan Native Dies In Lockland, Ohio

Mrs. Mary Gertrude Dennis, wife of Walton Dennis, died Aug. 23 at Lockland, Ohio.

The body was returned to Morgan county and funeral was conducted at the Caney church Wednesday morning by Rev. Clayton Hammond, and burial was made in the Morris cemetery under direction of the Potter Funeral Home.

Mrs. Dennis was a daughter of Noah and Mirah Jenkins of California. Besides her husband she is survived by two daughters, Oneida Dingus and Nancy Jeanette Dingus at home; two sisters, Grace and Betty, and her mother, Myra Jenkins.

LA GRANGE PRISON TEAM COMING 13TH

West Liberty's Bluegrass League baseball team will play a post-season game here Sunday, Sept. 13, with the LaGrange prison team, Manager Clarence Black has announced.

The post-season contest, it is hoped, will help liquidate the local team's indebtedness of approximately \$400 created during its season's playing in the Bluegrass League.

Tickets for the game may be obtained from any member at 50 cents. Advance sale of tickets already is meeting with good response, and by game time it is hoped that several hundred will be sold.

Manager Black said West Liberty's team will be bolstered in the post-season game with number of players from other league teams and a spirited contest is anticipated.

ENTERPRISE ASSN. MEETS IN MORGAN

Logan Woolridge of Portsmouth, Ohio was elected moderator of the Enterprise Association Regulars. The association met Friday, Saturday and Sunday at the Grassy Creek church on Grassy Creek, Morgan county. He succeeds Rev. A. C. Bradley of Dingus.

Other officers elected are: Jerald Tyree of Cottle, clerk; Joe Blevins of Grassy Creek, assistant clerk, and Rev. J. W. Beulhimer of Keaton, assistant moderator.

Rev. John Hamilton of Portsmouth preached the introductory sermon, and Rev. Emerson Collier of Blaine was appointed to preach next year's introductory sermon. The association will hold next year's annual meeting with the Wrightsview church in Dayton, Ohio.

Two new churches were admitted at this session this year, giving the association a total membership of 67 churches in Eastern Kentucky and Southern Ohio. Large crowds attended the 3-day session at Grassy Creek.

CHURCH DINNER CANCELED

The Homecoming dinner announced last week for Sunday noon at the Christian Church has been canceled. Unavoidable conflicts made it impossible to carry through with the plans.

RED RIVER FARM PROJECT WILL GET U. S. ASSISTANCE

Government Has
\$400,000 Sum
For Watershed

WASHINGTON, Aug. 19.—The Red River watershed in Morgan and Wolfe counties, Kentucky, today was designated as a project eligible for federal assistance.

Notice of the designation by Robert M. Salter, chief of the Soil Conservation Service, was sent to the office of Representative Carl D. Perkins, Hindman Democrat.

The designation follows the formal assurance of the Wolfe County Soil Conservation District that it is ready to sponsor the program and cooperate with federal, State, and local agencies in carrying it out.

5-Year Period Set

Salter said the Red River watershed, with an area of 93 square miles, is to be completely treated within five years at an estimated cost of \$400,000 to the Federal Government. The program is based on local interests making at least an equal contribution.

The treatment will consist of measures designed to prevent the formation of damaging floods and soil erosion, and to retard runoff.

The Federal Government will help local interests with technical services, including designing and supervising construction of control measures, and issuing invitations to bid on them.

Says \$400,000 Is Limit

Studies also are planned of the watershed to provide information on the effects of a watershed protection program on crop yields, soil loss and sediment production, runoff, and flood flows. Salter said Congress has fixed a \$28,706,000 ceiling in federal aid for the watershed in a five-year program on a national watershed program, and that the \$400,000 ceiling for Red River cannot be exceeded.

"In measure you have plans to get the work started at once in this watershed and I hope you will do so," Salter's notice said.

VOTE RECOUNT FINISHED HERE

Recount of the ballots in the contest for the Democratic nomination for State Senator in the 34th district was completed here today (Thursday) by Judge Coleman Wright of Shelbyville.

There were no major changes in three of the county tabulations, J. Everett Bach's majority in the district remained exactly as the original count was certified.

Judge Wright and attorneys for Bach and Charles Davis, his defeated opponent who filed the contest charges, recounted all ballots in the four counties, going from county seat to county seat. Recounting of the Morgan vote here today completed the recount in the district.

The recount showed the Magoffin tabulation unchanged; Bach gained 6 votes in Morgan and 1 in Lee while Davis gained 7 votes in Breathitt. Thus, Bach's majority remains substantially unchanged by the recount.

Judge Wright at the conclusion of the recount here announced he will hear evidence in Davis' contest suit charging fraud, etc., at Jackson commencing next Thursday at 9:30 a.m.

Bach, former State Representative, is represented by Atty. O. J. Cockrell of Jackson and O. B. Rose of Beattyville. Davis is represented by Jesse K. Lewis of Lexington.

In only eight Morgan precincts was the tabulation changed by the recount, and only by one vote in each precinct.

EIGHT ARRESTS MADE

Sheriff Clyde Adams said that eight arrests were made over the week-end, for drunkenness and drunken driving. Moonshine was found in possession of four of them.

NOTICE TO EASTERN STAR MEMBERS OF MEETING TUESDAY, SEPTEMBER 1

Paulina Chapter, Order of Eastern Star, has received a special dispensation from the Worthy Grand Matron, Edith Wachman, to change the regular meeting, which would have been on Monday, Sept. 7, to Tuesday, Sept. 1. A son of Rev. and Mrs. Dan Perkins, Sr. of Payton, Pvt. Perkins was graduated from Cannel City high in 1952 and worked one year with General Motors in Dayton, Ohio. He entered service February 17, 1953, receiving his basic training at Camp Breckinridge, Ky. with the famed 101st Airborne Division.

175 EXPECTED AT SCHOOL REUNION

Miss Floris Cox, president of the association, said Thursday she expects between 150 and 175 to attend the annual homecoming and reunion of classmates and old friends of the Matthew T. Scott Junior Institute and Morgan County high school here Saturday. Reservation cards sent in thus far indicate a good attendance, she said.

The homecoming will open with a reception in the afternoon at the Cole Hotel. Later that evening, at 6:30, the annual homecoming banquet will take place in the school cafeteria. Dinner will be served by the Banks Circle of the Christian Church.

Later, the assemblage will go to the high school gym, just a few yards away, where an evening of entertainment will be enjoyed.

Ova O. Haney will be toastmaster for the occasion. The returning classmates will decide for themselves the type of frolic they want for the evening. It is expected that it will consist majority of stunts, impromptu talks, songs, music and maybe a square dance.

Fish Poisoned Again In Licking And Elkfork; Officers Investigate Charge

Hundreds of fish are dead in Elk Fork and Licking, apparently as a result of poisoning, according to reports of citizens and officials.

At one place about a mile from Pomp postoffice and just above the swimming hole, 29 fish were counted Sunday evening, in addition to hundreds of minnows and small fry. At the store at Pomp postoffice Monday morning, Mrs. Glenn Johnson said they counted 27 dead fish, one almost three feet long, and many fine bass on the rocks dead just above the swimming hole. Rhett Brown said they were afraid the water would poison their livestock and with small streams being dry, the creek was the main source of water for livestock.

Bernard Perry, who carries the mail from Twenty Six, said that there were many large fish dead just below Mussel Shoals and that

Farmers Night At
Kiwanis Meeting

The Kiwanis Club observed Farmers Night at its Wednesday dinner meeting by inviting a number of farmers as guests. County Agent Charlie Dixon had charge of the program and showed two films on Green Pastures of Kentucky. Mr. Dixon said Morgan farmers needed to develop another cash crop to supplement barley tobacco, and recommended sheep or beef cattle.

SCHOOL TO OPEN HERE ON MONDAY

An enrollment of approximately 950 pupils is expected when the Morgan County high and graded school opens here Monday for the 1953-54 term, W. O. Pelfrey, principal, said this week.

The enrollment will be increased this year by combining the 10th, 11th and 12th grades of Cannel City high school. The 57 pupils of these grades will be transported to West Liberty by school buses.

The overflow will be accommodated in the new classrooms in the 24x60-foot addition constructed this summer at the east end of the West Liberty native stone school building, work on which is expected to be completed this week.

The local school will open on Monday at 8 a.m., Mr. Pelfrey said.

Members of the faculty will be—

HIGH SCHOOL—W. O. Pelfrey, principal; Mrs. Mabel Barber, Mrs. Irene Murphy, Ezra Bach, Hobart Cassidy, Arthur Johnson, Mrs. Anna Jean Allen, Mrs. Glenn Stanley, Elmer Craft, Elmer Anderson, Bonny Lewis, Glenn Stanley, Delbert Estes, and Mrs. Ruth Conover.

GRADE SCHOOL—Nancy Turner and Ann Flister, first grade; Zola Haney and Ocie Caskey, second grade; Lena Haney and Reva Henry, third grade; Bernice Craft, Alice Hill and Mabel Amyx, fourth grade; Lydia Lewis and ... fifth grade; Dorothy Lykins and Betty Jean Ratliff, sixth grade, and Mildred McClain and Resvie Wheeler, seventh grade.

TWO MEETINGS HELD LAST WEEK IN NEW PROGRAM

See Flocks Thursday,
Talk Plans And See
Sheep Movie Friday

Farmers interested in sheep growing in Morgan county held two meetings last week. They are seeking enough orders to purchase a carload of 270 Western ewe lambs.

Nine farmers visited the flock of Wallace Blankenship at Mize last Thursday. Mr. Blankenship has a flock of 41 ewes from which 54 lambs were born this year. 51 of the lambs were raised. About 15 of them have been sold and the remainder is ready to go to market now. Weighing an average of 90 pounds or better, the lambs bring an average about \$25 each or about \$30 per ewe.

The Western ewes averaged nine pounds of wool which sold for \$4.50 a fleece. This makes a return of \$34.50 per ewe. The ewes cost \$30.00 each when they were bought as yearlings two years ago. The ewes have been paid for each year. Mr. Blankenship figures that the wool pays for the feed. He feeds grain only for about three weeks before lambing time until he has pasture. He feeds good Korean and alfalfa hay during the winter.

Blankenship uses small grain cover crop pasture in late fall and in the spring. He likes a mixture of a bushel of Balboa rye and 20 pounds of vetch. The permanent pastures consist mainly of orchard grass and Korean. Sheep do not utilize fescue as well as do cattle. However, Mr. Blankenship runs his cattle and sheep together and fescue works well in his mixtures.

Mr. Blankenship has woven wire fence with a barb wire on top around the outside of his farm and four strands of barb wire for his cross fences.

Mr. Blankenship wants to increase his sheep flock to 100 Western ewes and four South-down rams. He says sheep has been the best paying livestock he has raised year in and year out. He has about 50 beef cattle and about 40 hogs in addition to his sheep.

Those present at Mr. Blankenship's farm were E. B. and Eugene Hamilton, Mize; Elmo Lewis, Yocum; W. D. Phillips, E. P. Evans and Mr. Henry of Liberty Road, and Ren Morris and his son from Caney. Richard Miller, Sheep Specialist for the Extension Service, assisted the county agent with the meeting.

20 At Friday's Discussion

Twenty people attended the sheep meeting at the theatre Friday morning, and heard Mr. Miller again discuss the sheep program in Kentucky and saw a movie on livestock marketing. It was a general discussion with questions and answers of various phases of sheep production.

It was pointed out that Morgan county has lots of advantages and opportunities for small sheep flocks and that sheep could add many thousands of dollars to the income of farmers in the county. This could be done without reducing the number of cattle. It was stressed that sheep will utilize much pasture growth that cattle will leave. They are also more completely hay and pasture consuming animals. Five sheep can be kept on the same hay and pasture required for one cow. Sheep require very little shelter and less fences than is commonly thought.

Credit associations have expressed a desire to furnish whatever credit is required to farmers desiring to raise sheep.

It was decided at the meeting to try to secure enough orders to buy a car load of Western lambs within the next 10 days. The lambs would be expected to cost about \$18.00 including transportation to the farm and insurance against dogs. It was agreed that an investment in 25 or 30 of these lambs would be a sound and profitable undertaking for any farmer with some hay and anticipated cover crop and pasture.

Farmers interested in obtaining some of these lambs should contact the county agent at once. Those present at Friday's meeting included Wallace Blankenship, Mr. and Mrs. Ren Morris, M. E. Nickell, Jasper Jones, Foster Ferguson, Lacey Conley, Claude Lewis, Sam Hall, Tommy Oldfield, Glenn Gilliam, Prichard Caskey, J. C. Nickell, Wendell Nickell, J. H. B. Brown, and Brown. Withrow Morris and two daughters and Bascom Elam.

If we, my friends, could analyze Our real selves we'd be surprised; Just happen in some time, some place, And meet our selves once face to face; 'Twould be a phase in life quite new, To see us as our neighbors do; I wonder if such thing could be, If I would know my self was me.

Far more miles per gallon on the trips YOU take!

On long trips, short trips, all trips, you get far greater gas mileage out of a '53 Chevrolet. It offers important savings in everyday driving over everyday roads!

Out to the golf course. Off for a week-end of fishing. Half across the country on a full-scale vacation. Wherever you go—however you drive—you're going to get there on a lot less gasoline in a fine new Chevrolet.

The truth is, this year's Chevrolet owners are enjoying the most important gain in economy in Chevrolet history. Plus more power. Faster acceleration. More "steam" for the steep hills.

That's the beauty of Chevrolet's two great high-compression engines—the new 115-h.p. "Blue-Flame" engine in Powerglide models, and the advanced 108-h.p. "Thrill-King" engine in gearshift models. They squeeze much more out of regular gasoline—more miles, more pleasure.

Along with this greater gas mileage, you get lower over-all upkeep costs. And Chevrolet is the lowest-priced line in its field. Drop in and let us show you how you'll be better off in every way with a 1953 Chevrolet!

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

OVERCOMING OBSTACLES IN LIFE

A great many things come to the minister; it may be in the home, in the hospital room, on the street, or in his own house or his own study. These things are continually coming to him because of his position with people. People are in

trouble, people need help, people are seeking somebody to do it, and some times some of us whom the Lord has blessed have been able to help in difficulties. I want to talk to you about some of the difficulties that we as human beings necessarily face and must face, and what we do about them certainly is of great importance. Just the other day a lady came to talk with me. She was in her early forties but did not look her age. She sat down and calmly and deliberately told me her story. It was an interesting story and yet sad. She was one of those women endowed with a great deal of determination and physical strength. She married at the age of 16, knowing nothing about what she was getting into. She was brought up in a home where things were very temperate, and yet she married a man whom she knew was a drunkard and she said she did not realize what it meant. She stayed with him for a number of years and to this marriage relationship were born six children. During all that time she toiled and worked, bore these children, supported them and also supported her husband. Finally she got a divorce from him. The minister asked her if he was giving her compensation and she said, "No, I do not want any. If a man leaves me he is gone and that is all there is to it. I am taking care of my children and I will continue to do it."

Well, this is one of those problems that come to people. I asked her in the course of the continued conversation what kept her going in the face of all these difficulties, and today supporting the children and working about twelve hours a day. She said, "Hope is the only thing that is left. I just keep hoping that something will develop and things will be better." That is what keeps most of us going in the face of a lot of our difficulties, and when hope dies the battle for life generally dies with it.

In facing these things that you and I face we all have some difficulties with our own individual selves and really I am talking to you about some of those things that we have to face within ourselves because some of our problems, if we look for them, will be found right there. Now this woman of whom I speak certainly was

not wise; she did not do anything very wisely; she just kept on doing the thing that she should not have kept up. And we do that about things within our own selves, especially some of those frustrations and fears and phobias that are within us. The question naturally comes, "What can we do about these things that are disturbing us in our inner selves?" First, what are they? What is the first thing that you would put on top of the inner disturbances that confuse and disturb your life and the life of those about you?

I do not know what you would list first but I would think that either fears or some of the relative relationships would be about the biggest problem that most people have. However, they may come out of many different complexes. Too, there arise jealousies which come often in a young life down in the early age which if developed and allowed to remain there may be the source in the teen age of going astray to delinquency and other terrible things. If it goes beyond that without having something done about this complex in adult life it will be a disturbing factor in the home and perhaps will be sufficient to break the entire happiness of the home life. These things are not born within us, they are brought there, they are developed within at times when people were not conscious. Parents were not conscious of it happening, neither were the children conscious that it was doing to them what it was doing.

Greediness is also sometimes developed in children and that is always brought about. I said not long ago to a group to whom I was speaking that in the children's life if there are disturbances the first place to look for the cause of that would be in the life of the home, the life of the parents. It is so easy for us to lay the blame on these disturbing factors growing in the life of our own children to others and thereby overlook the real cause of the trouble. This being true then we are going to ask this question. What are we going to do if these things are in us? I am going to suggest to you three things and to me the first one is the most important of all; that is a perfect understanding yourself of the fact of the existence of the disturbance. There is a story told in the New Testament by the Lord Himself about the Prodigal Son. You remember that He told about his going away and leaving his father's house and spending everything he had in riotous living and went to the bottom, even down to the hogs, and one striking thing was said about this Prodigal Son—that he came to himself. Now we are not conscious often of the meaning of coming to one's self. That means seeing the facts for yourself. If that can never happen to us, if that never happens, these inner conditions will never be relieved. If we cannot find out for ourselves and confess it to ourselves that they are there then we are not going to be very successful about curing them.

IN OL' MORGAN

(Continued from page one)

Williams and Samuel Hammon as helpers."

The early Baptist churches in Eastern Kentucky were members of North District Association that embraced all the churches east of Kentucky River. Due to the difficulty of traveling long distances to the meetings of the association, the eastern Kentucky churches formed their own association in 1814. Ambrose Jones was one of the preachers who helped bring this about and the new organization was called the Burning Springs Association.

Ambrose Jones fought in the Revolution. He enlisted in Augusta county, Virginia sometime in the year 1777 for three years. He was with Washington at Valley Forge during the winter of 1778, when, due to an incompetent Quartermaster General, the soldiers were left without adequate food, clothing or shelter and as a consequence, many died of cold and starvation. Rev. Ambrose Jones' military record shows that he was among the sick at Valley Forge in April of 1778. Later he was taken prisoner at the siege of Charleston, South Carolina, made his escape and reached home eighteen days before the expiration of his enlistment.

Ten children were born to Ambrose and Martha Craig Jones. William, Priscilla, Nancy, Jenny, John, Richard, Barbary, Sinthy, James and Ambrose, Jr.

John Jones, son of Ambrose and Martha, born in Kentucky in 1793, married in Morgan county, Sarah Cole in 1831. They had eight children: Alvin, Letitia, Marion, Gardner, Mason, Dial, Pauline and Mary J.

Pauline Jones, daughter of John and Sarah Cole Jones, married John Franklin. For their descendants see the Hammon family history which will be carried in the Courier.

Alvin Jones, son of John and Sarah Jones, married first Delilah May. They had two children: Harry Jones, married Ella Millard, Emma Jones, married Wilson Martin. Alvin Jones married second, Julia Elizabeth Parker. Children: John Franklin Jones, died when a young man. Dora Jones, died at 16. Lizzie Jones, married Sam May, Custer Jones, married first Frankie Carter, second, Evalina, Stamper. Kate Jones, married first Gordon Cottle, second, Oscar Arnett. Bertha Jones, married Guy Womack Leslie. They had one daughter, Elizabeth Leslie who married Dr. Harry R. Walker.

Statistics or no, it was a real pleasure to have Vic Portmann of the Kentucky Press Service and the University of Kentucky visit the Courier office Friday. Like some country newsmen we know, he timed his visit to coincide with the wrapping of the last single for the week. Not so lucky in his stop at Morehead, he made a wager with Publisher Snooks Crutcher concerning the making up of the front page. Vic did it in ten minutes, which, he

declares, is why he won the bet and also why the Rowan County News had a new look last week.

SET 7 GALLEYS BY HAND

Joe R. Fyffe who used to set type by hand for the Licking Valley Courier back in 1911 to 15, was in from Detroit Monday and visited the Courier office. Mr. Fyffe, a son of the late John W. Fyffe of Lost Creek and a brother of Ollie Fyffe of Red Bush, now is a printer on the Detroit Times. Browsing around the Courier office, Mr. Fyffe told us he used to set six galleys of 10 point type, a day back when all type

was set by hand on the Courier. "But," he added, "Mr. Carraway, the owner, could set seven galleys." (A galley is a column type). Leaving the Courier 1915, Mr. Fyffe established Salyersville Independent, then went to the city shops.

He was accompanied here by Mr. and Mrs. Pierce Cottle of Wellston, Ohio, and they spent two days in the county visiting relatives and friends. Mr. Cottle is a brother of the late Gardner Cottle, one-time editor of the Courier. He went to Ohio 10 years ago.

Look what your FORD dollar buys!

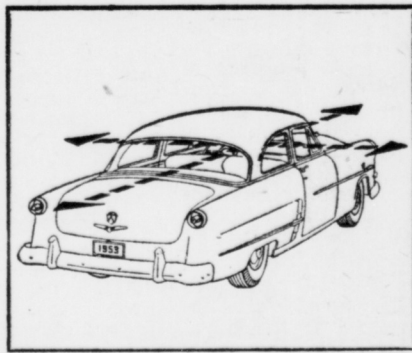

Check the features below against any car in the low-price field and you'll see why Ford's worth more when you buy it...worth more when you sell it.

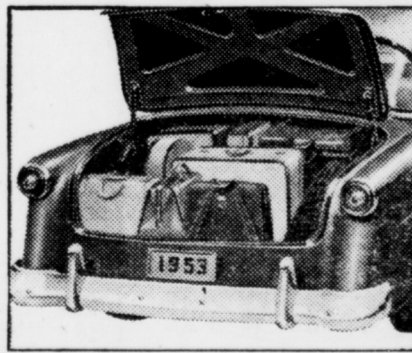

V-8 POWER is yours in Ford—but not in other low-priced cars. It's the product of Ford's experience in building over 13,000,000 V-8's! Ford's high-compression, low-friction Mileage Maker Six with Overdrive, is the Economy Sweepstakes winner.

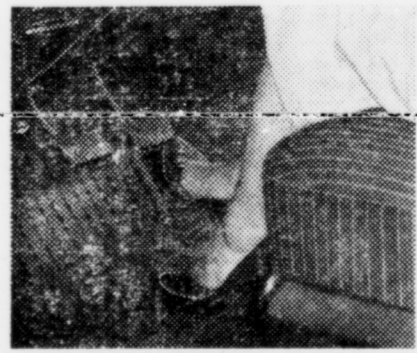

ROAD-LEVELING RIDE reduces front end road shock alone up to 80%. Wide front tread, diagonally-mounted shock absorbers take tilt out of turns. You'll discover in the '53 Ford that a car need not be excessively heavy to ride smooth as silk.

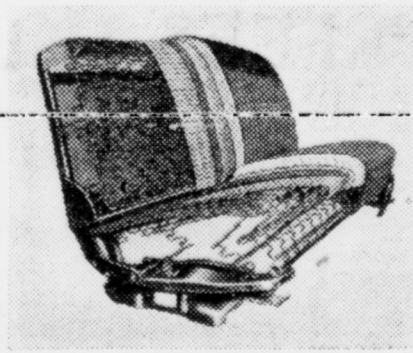

FULL-CIRCLE VISIBILITY is yours in Ford. With huge, curved, one-piece windshield, car-wide rear window and "picture windows" all-around, Ford has more "look out" area than any car in the low-price field. I-REST tinted glass also available.

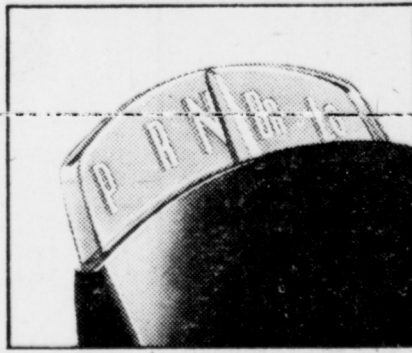

ROOMY TRUNK is one suitcase bigger... bigger than any other luggage compartment in Ford's field. Bigger than you'll find in many of the expensive cars. With Ford's Center-Fill Fueling, there's no long gas-fill pipe to eat up your trunk space.

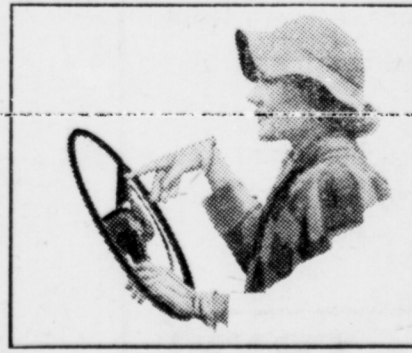

SUSPENDED PEDALS make braking and clutching easier... allow more clear floor space... eliminate dusty, drafty floor holes. This feature, exclusive to Ford in its field, permits dash-mounting of brake master cylinder for easy accessibility.

FOAM-RUBBER CUSHIONS over non-sag springs in Ford's sofa-wide seats make even long trips a treat. And you'll find that only Ford in the low-price field offers this fine-car feature as standard equipment on both front and rear seats in all models.

FORDOMATIC DRIVE—an optional extra—is really two automatic drives in one. It has a fluid torque converter for smooth, steady power flow. It has automatic gears for greater "get-up-and-go." Ford also offers you Overdrive and Conventional Drive.

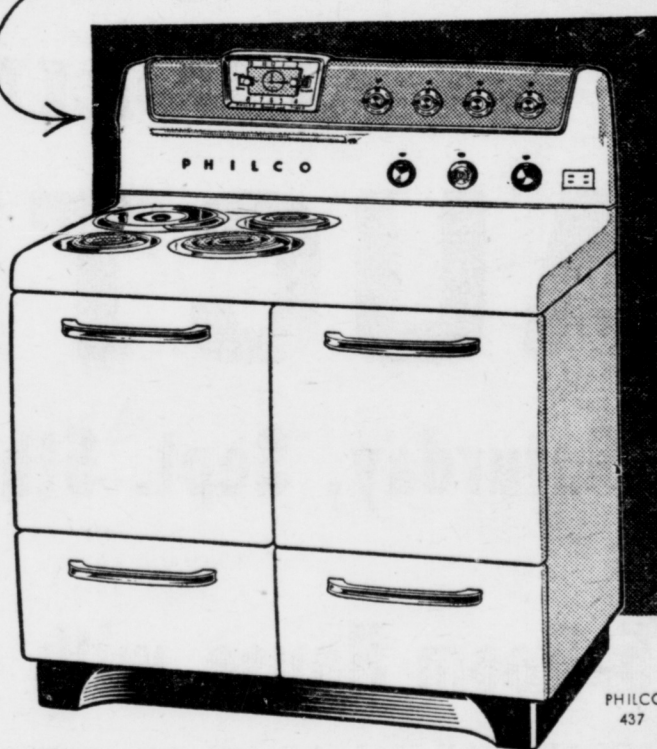

MASTER-GUIDE POWER STEERING—an optional extra on V-8 models—gives you the natural "feel" of steering on the straight-away yet takes the work out of turning. Absorbs road shocks before they reach the steering wheel—adds to safety.

If you're interested in  used cars, be sure to see our selections.

CLEAN CREEK BANKS

County Agent Charlie Dixon says clean creek banks will enable the water of high tides to run off more rapidly. This will help keep the channel from filling with sand and gravel. Since the water can move more rapidly it will not back up and overflow and wash bottom land. Among farmers seen cleaning the trees and brush off the creek banks are Oka Fannin, Crockett, Jerry Skaggs, Elkfork and L. W. Blankenship, Hazel Green.

HANEY NAMED AS SUPERINTENDENT IN LARUE COUNTY

Ova O. Haney of West Liberty was elected superintendent of Larue county schools at a meeting of the board of education of that county last Tuesday evening. The former county superintendent resigned after nineteen years of service.

The salary was set at \$4,200 per year and Mr. Haney assumed duties of the office last Thursday. He had served as county superintendent of Morgan county schools for sixteen years and was succeeded here by Carl Stewart three years ago.

Since his term expired as county superintendent he had been in general dry goods merchandise at West Liberty until he closed out his store this summer.

He has a son, James, in the Air Force, and a daughter, Joyce, a student at the University of Kentucky. Another son and a daughter are at home.

Mr. Haney returned home for a visit Sunday and said, "I am well pleased, the people are very nice to me and I feel that I will have their help in solving the problems as county superintendent."

He also added that the state superintendent and his staff were cooperating in the working out for better schools.

Mr. Haney said that the county seat, Hodgenville, had about two thousand population and that there were eight consolidated schools and three high schools in the county, with 80 teachers.

He plans to move to Hodgenville very soon.

LOGVILLE
Ted Harp and son Roger, and Kenneth Evans of Sidney, Ind., were on a vacation in Magoffin and Breathitt counties last week, and visited an old friend of Mr. Harp's, George Elam of Logville. They were dinner guests of Mr. and Mrs. J. D. Elam and talked of the beautiful scenery and how they enjoyed the quiet, peaceful country. They returned home by way of West Liberty and Cincinnati.

Mr. and Mrs. Billie Gambill of South Charleston, O., made a flying trip here and called to see his aunts, Mrs. Nettie Rowland and Mrs. Mike Bolin of Elamton and his grandfather and uncle, George and Dewey Elam and family at Logville.

The Elmores To Move To Chase City, Va.

Mr. and Mrs. Fletcher L. Elmore will move this week-end to Chase City, Va., where Mr. Elmore has accepted a position as sales representative for the Southeastern section of Virginia for the Investors Diversified Service, a mutual investment company.

The Elmores came to West Liberty in April of 1949 and Mr. Elmore established the West Liberty Cut-Rate Market and served as its manager until resigning this week.

Both Mr. and Mrs. Elmore have been active in civic and church affairs and have endeared themselves to a host of friends who regret to see them leave West Liberty.

Mr. Elmore is Morgan county's representative of the Eastern Kentucky Industrial Development Foundation, treasurer of the Methodist church here and a member of the county 4-H Club Council. He also has served as president of the Kiwanis club.

Mr. Elmore is president of the Methodist church guild.

Mr. Elmore's headquarters at Chase City will be close to his original home at Alberta, Va. Their many friends here wish them continued success in Virginia.

MASTER COMMISSIONER'S SALE

MORGAN CIRCUIT COURT

Ben Allen, Administrator of the Estate of D. P. Allen, et al, Plaintiffs

VS. NOTICE OF SALE

H. Hord Williams, et al, Defendants

Pursuant to judgment and order of court taken on the 18th day of August, 1953, I will at the front door of the court house in the town of West Liberty, Kentucky, at 11:00 o'clock a.m. September 7, 1953, offer at public outcry to the highest and best bidder a certain tract or parcel of land situate in the state of Kentucky, county of Morgan on the waters of White Oak Creek, a tributary of Licking River, and bounded as follows:

Beginning on the Fleeta Lacy Burton corner; thence with the Fleeta Lacy Burton line to a walnut tree on the point; thence east to a walnut tree in the field; thence a straight line to the road near the branch; thence down the branch to the beginning, containing one acre, more or less, but to contain all the land and appurtenances in the above described boundary. This being the same land conveyed from John M. Williams to D. P. Allen and et al by deed bearing date of the 13th day of January, 1923, and of record in deed book No. 70 at page 363, Morgan County Court Clerk's office.

Said land will be sold on a credit of six months and the purchaser will be required to execute bond with the Master Commissioner for the amount of the purchase price with good sureties, said bond to bear interest at the rate of 6% per annum from the date of said bond until paid.

Given under my hand as Commissioner of the Morgan Circuit Court, this 19th day of August, 1953.
